

Shown left to right: FES Executive Director Frank Rudd, CAE, CMP, President Florida Section ASCE Satya Sukumar, P.E., PMP, and FEF Representative Glenn Forrest, P.E. during a formal presentation of the agreement between FEF and ASCE to support engineering education. The agreement calls for both FEF and ASCE to contribute annually to a fund to be managed by FEF that will provide \$10,000 annually to an engineering education program of ASCE's choice. In addition the fund is planned to grow to over \$50,000 during the 10 year period. This year ASCE will support the West Point Bridge competition in Florida.
