MEMBERSHIP QUALIFICATIONS

FES membership includes membership in NSPE (if qualified), FES, a local chapter, and a state practice section. The FES dues year begins October 1 and ends September 30. National dues are collected and forwarded to NSPE in compliance with their dues year, which runs from January 1 through December 31. Dues payments are due on October 1 each year and are prorated for new members on a quarterly basis as follows:

NATIONAL DUES		STATE AND CHAPTER DUES	
October 1 - March 31	Full Year	October 1 - December 31	Full Year
April 1 - September 30	1/2 Year	January 1 - March 31	3/4 Year
		April 1 - June 30	1/2 Year
		July 1 - September 30	1/4 Year

- A **Professional Engineer Member** shall be a Professional Engineer as defined by the holding of a valid license or certificate of engineering registration issued under the laws of any state, territory, possession, or district of the United States or Canada.
- An **Engineer Intern Member** shall be an Engineer Intern, or equivalent, holding a valid certificate issued under the laws of any state, territory, possession, or district of the United States or Canada.
- An **Engineer Member** shall be a graduate engineer qualified to be admitted to examination as an Engineer Intern as defined in Chapter 471.21 of the Florida Statutes but who is not a Professional Engineer and who does not hold a valid certificate as an Engineer Intern or Engineer-in-Training in any state, territory, or possession or district of the United States or Canada.
- A **Respect Member** (Retired Special Transfer) (a) shall be at least 65 years of age, (b) shall have retired from the active practice of professional engineering, and (c) shall have been made a Life Member of the National Society of Professional Engineers through his membership in a State Society other than the Florida Engineering Society.
- An **Engineering Scholar** Member shall be a licensed professional engineer, or engineer intern who is also a full-time student pursuing a degree in engineering or affiliated program. Please include a copy of acceptance letter.
- An **Associate Member** shall be a graduate of a 2- or 4-year college or university (not an EI candidate). An Associate Member shall be considered a professional partner for purposes of this membership classification. A professional partner shall be an individual with education, training, and experience in engineering-related or professional support-related businesses that provide products or services to the engineering profession.
- An **Agency Partner** shall be a Florida governmental agency or educational institution. The Agency Partner shall designate a minimum number of individual representatives in accordance with FES policy. All Agency individual representatives shall meet one of the Corporate or Non-corporate membership classifications and shall be assigned to the corresponding member classification. An Agency individual representative/member shall enjoy the full benefits and privileges corresponding to the member classification. Membership fees for the Agency's designated individual representatives shall be included as part of the Agency Partner membership application. Furthermore, all employees of an Agency Partner shall be allowed to personally join FES at the Agency Partner representative rate.
- An **Industry Partner** shall be an organization that employs engineers, or supplies professional services or products affecting the engineering profession that is not eligible to hold a Certificate of Authorization. The Industry Partner shall designate a minimum number of individual representatives in accordance with FES policy. All Industry individual representatives shall meet one of the Corporate or Non-corporate membership classifications and shall be assigned to the corresponding member classification. An Industry individual representative shall enjoy the full benefits and privileges corresponding to the member classification. Membership fees for the Industry's designated individual representatives shall be included as part of the Industry Partner membership application. Furthermore, all employees of an Industry Partner shall be allowed to personally join FES at the Industry Partner representative rate.
