2010 FPEG FELLOWSHIP APPLICATION

The Florida Professional Engineers in Government are pleased to announce the availability of fellowships to be awarded for the **2010-2011** school year. An applicant must:

- Be eligible to be a member of the Florida Engineering Society.
- Be employed by a government agency in an engineering position.
- Be enrolled in or accepted by a graduate program to obtain an advanced degree in engineering, engineering management, public administration, public works administration or business administration (copy of proof of registration of acceptance letter).
- Complete the application and submit it to FES/FPEG Headquarters **by February 15, 2010**. Please request your transcript be forwarded to FES/FPEG by the deadline.
- If no qualified applications are received, FPEG reserves the right not to award a fellowship or to select a winner from the applications received by the FES scholarship committee. Preference will be given to upper division engineering students with an interest in working for a government agency.

AMOUNT OF FELLOWSHIP: \$1,000

DEADLINE FOR SUBMITTAL OF APPLICATION:

The application must be received at the FES/FPEG Headquarters **by February 15, 2010**. Please visit the FES web site at www.fleng.org for an application form or contact Anne Wilson at FES Headquarters, 850-224-7121 for further information.

Note: The selection of fellowship recipient(s) is made by the FPEG Awards Committee and is final.
