

FPER

Florida Professional Engineers Retired

FPER provides a forum for retired engineers to unite, discuss, and take action on matters of common interest to retired engineers. These members make up every discipline within the Society and are actively promoting the best interest of the membership.

Duties

Members are asked participate in meetings and assist in activities that FPER supports and promotes.

Volunteer Time Commitment

A maximum of one hour every other month is requested for meetings, activities, and to distribute information back to the chapters.

Committee Meetings

Meetings are called on an as needed basis.
