SCHOLARSHIP APPLICATION

2011-2012 Academic Year

Please submit your application by February 15, 2012 to ensure consideration for the scholarship. Each applicant is only required to submit one application in order to be considered for all Foundation scholarships available. If permitted by the applicant, each application may be passed to other engineering entities for scholarship consideration as well.

To be eligible, a candidate must be entering his or her Junior or Senior year in a Florida University Engineering Program, have at least a 3.0 grade point average on a 4.0 scale, be recommended by an engineering faculty member, and be a United States citizen or resident of the State of Florida.

Students who meet the eligibility requirements should complete this application and submit by **February 15, 2012** to your local Chapter representative. For contact information of your local chapter representative see the 'Coordinator Contacts' link on the FES Scholarship website www.fleng.org/scholarships.cfm.

An official transcript (high school if needed & collegiate) and letter of recommendation from an engineering faculty member must also be submitted with the application in a separate sealed envelope. Applicants will be sent a notification letter regarding selection of semi-finalist candidates. A member or members of the Scholarship Committee will interview the semi-finalists. The interview process is part of the application grading.
