

**FLORIDA ENGINEERING SOCIETY  
ADMINISTRATIVE POLICY (AP NO. 28D)**

**SUPPLEMENTAL PAYMENTS TO MEMBERS AND OFFICERS ATTENDING  
NATIONAL MEETINGS OF NSPE**

The Florida Engineering Society's annual operating budget and the practice sections' annual operating budgets should include sufficient funds to pay one-half of the travel expenses and member basic registration fees of national directors attending NSPE meetings. Practice section additional delegates shall bear their own expenses to attend national meetings unless the budget request for their travel allowance is included in a practice section's balanced budget.

The Florida Engineering Society will, upon request, provide travel funds and expenses for 50% of reasonable expenses for a chapter or individual to go to an NSPE meeting and accept a National chapter related Award.
